

SOLO C 3.0 FLEX

Desk frame with crank for manual adjustment. Robust, flexible model for a straight desktop with height-adjustable function, allowing each user to create their optimum work environment.

- Height-adjustable
- Ergonomic
- Elegant legs of rectangular design

Sit & Stand frame for straight desktops, with manual height adjustment control, makes it easy for the user to create an ergonomic work environment. Robust and flexible design that can be adjusted lengthways ensures a reliable desk that is easily adapted to the desktop of your choice. Free-standing legs allow optimum freedom of movement thanks to unrestricted leg room.
