

WALL 2

Electric sit & stand frame for mounting in wall or gable. Continuous height adjustment control for ergonomic working positions.

- Height-adjustable
- Ergonomic

Robust and flexible design that can be adjusted lengthways ensures a reliable desk that is easily adapted to the desktop of your choice. Elegant legs of rectangular design with the large tube at the bottom. Based on the latest technology in height adjustment control to ensure reliable and comfortable operation. The frames are mounted at the desired height on the wall or in gable. Choose 1, 2 or 3 columns depending on the size of the table top.
