

Revolution Y-G

Now we are launching the market's lightest and most material-efficient height adjustable desks. Our new product range is called "Revolution". The series consists of models Y and T where the shape of the legs has given the frame its name.

- Height-adjustable
- Ergonomic

Revolution Y is a light and flexible height adjustable desk, which provides a pleasant and ergonomic work. The desk can be placed both in the environment at home or in the small office. A stylish frame with the y-shaped legs that gives the desk a characteristic design. You'll be able to place the Revolution Y-G wherever you want. It's a gas-powered frame independent of power supply. Revolution Y is also available with electric motors. To suit all your needs.
