

AERO 2.0 Hi Power 2-column

New generation AERO desk frame. Robust, flexible model of electric desk frame, for a straight desktop, with height-adjustable function, allowing each user to create their optimum work environment.

- Height-adjustable
- Ergonomic
- Elegant legs of rectangular design

AERO electric Sit & Stand frame for straight desktops, with continuous height adjustment control, makes it easy for the user to create an ergonomic work environment. Robust and flexible design that can be adjusted lengthways ensures a reliable desk that is easily adapted to the desktop of your choice. Free-standing legs allow optimum freedom of movement thanks to unrestricted leg room. Elegant legs of rectangular design with the big leg at the top. Based on the latest technology in height adjustment control to ensure reliable and comfortable operation.
